

GRANT SUMMARY

Completed Grant Summaries are made available to the public on the State Water Resources Control Board's (SWRCB) website at <http://www.waterboards.ca.gov/funding/grantinfo.html>

Date filled out: Monday, June 25, 2007

Grant Information: Please use complete phrases/sentences. Fields will expand as you type.

1. **Grant Agreement Number:** 05 185 553 0

2. **Project Title:** Irrigated Agriculture Best Management Practices (BMP) Implementation

3. **Project Purpose - Problem Being Addressed:** Implementation of on-farm practices to improve quality of water leaving farms.

4. **Project Goals**

a. **Short-term Goals:** Assist farmers representing 33% of the irrigated acreage in the project area in implementing on-farm practices related to their irrigation and nutrient management systems. Help them write farm water quality plans. Conduct water quality improvement workshops for these farmers.

b. **Long-term Goals:** Lower nitrate concentrations of surface water. Keep sediment on-farms and out of the natural water ways.

5. **Project Location:** (lat/longs, watershed, etc.) Various farms in Santa Barbara and San Luis Obispo Counties.

a. **Physical Size of Project:** (miles, acres, sq. ft., etc.) 320.74 sq. miles or 205,275 acres

b. **Counties Included in the Project:** Santa Barbara, San Luis Obispo, small part of Kern and small part of Ventura.

c. **Legislative Districts:** 33rd & 35th CA Assembly District, 12th Senate District, 22nd & 23rd Congressional

6. **Which SWRCB program is funding this grant?** Please "X" box that applies.
